

## YES, CHEF!

**Big congrats to Peace and Loaf's Cevat Robert Elat, known to staff and customers as Rob, who's been named North East Chef of the Year.**

The awards judges were impressed with his Wester Ross salmon with yuzu and cucumber to start, rib cap of grande reserve beef with BBQ leeks, heritage potato and dripping for the main course, and his dessert of chocolate textures, hazelnut and bergamot. Rob beat off competition from more than 200 other chefs to take the crown.

Kelly and Wayne Kennedy

## PARKLIFE

**Combining three of our favourite things, Wayne and Kelly Kennedy's tea room, florist, and arts and craft shop, The Green, is now open on Washington's village green.**

Filled with locally sourced produce, cakes, and pastries, and work by local artists available in the gift shop, it's well worth a trip. We spent hours in there!
